

Red Ribbon Club (RRC)

Red Ribbon Club (RRC) is a movement established by Government of India in schools and colleges through which students involve themselves in creating an awareness of HIV/AIDS. Red Ribbon Club in Government Arts College (Autonomous), Coimbatore functions effectively with its main objective being spreading awareness of HIV/AIDS, preventing of drugs abuse and drunken driving. As a part of its activities, students periodically participate in public rallies and attend camps. Programmes are organised regularly to instil in them leadership qualities too. Doctors from various specialties are invited to give lectures and suggestions to students and staff members regarding personal health and hygiene.
